每年再次與讚美之泉回到亞洲，看到當地的年輕人點燃了復興的火焰，我的心深深地被感動。數千名青少年聚集敬拜神的畫面，實在地震憾了我的心。直到巡迴結束回到美國，我仍不停地想著那幅復興的圖畫；因此我渴望寫一首歌來表達這世代年輕人對神的火熱。

事實上，現今的世界存在著許多問題，許多的混淆及扭曲充斥在我們每一天的生命中。要年輕人逆著這個世界的遊戲規則，為神興起站立，實在不容易。但在許多方面，我認為身為一個年輕人，我們就是被揀選來面對亂世的挑戰，開始作轉變的工作，將神的真實帶入人群中。人們可能只單單認為我們與眾不同，可是我認為我們是為神積極火熱的一群。我們不怕活出真正的自己，我們不再沉默不言，因為這個世代要為神去到地極，這事必定要成就！這首歌是給所有願意興起爭戰的一代。

Every year as SOP once again went back to Asia, my heart was deeply touched by the revival that has begun in the youth of Asia, the image of thousands of young people worshiping God struck me deeply. After I came back to the US, I still couldn't stop thinking about it, and I really wanted to write a song that can really represent the youth of this generation.

There are so many problems and difficulties in our current world, so many distractions and confusions in our lives. To rise up for God is not an easy task, but in many ways I feel like we as young people are chosen to be the ones to take on this challenge, to be the ones that start the revolution and to bring the reality of God to people. People might think of us different, but I believe that we are radical. We are the generation that's not afraid to be ourselves, we are the generation that will not stay silent any more. We are the generation that will go to the ends of the earth for God. WE CAN AND WE WILL! This is a song for those who want to stand up and fight!
